

1974
Minutes

of the Annual

Meeting of Water Users of the Logan River System and
Representatives of the State Engineers Office

The Annual meeting between the Logan River Water Users Association and the state Division of Water Rights was held in the Mountain Fuels Supply Building, January 14th at 10.00 A. M.

The purpose of the meeting was to hear the minutes of last year, hear the financial report from the controllers office, and to set up a budget and appoint a water commissioner for the 1974 year.

Mr. Donald Norseth of the State Engineer's Office called the meeting to order. He reported the water supply looks good in the northern part of the State. Not hardly up to normal. Mr Norseth presented the financial report, he stated that there were no delinquent assessments at the present time.

A motion to accept the financial report as presented by Mr. Norseth was made and duly seconded and approved by all present.

Water Commissioner reported 1973 was a short water year. With cooperation of all systems we got along pretty well. Bud said he was available for the 1974 season for commissioner for Logan River. He asked for a cost of Living raise and also a raise in mileage to compensate for the increased cost of Gasoline.

The Lawsuits threatened against Logan River Water Users did not materialize.

Mr Gnehm stated that when the temperature is low water should be shut out of the canal to prevent freezing and flooding. He said the Central Mill has installed a motor for such emergencies.

A discussion was held on the budget for the 1974 season with the mileage rate to be established by the local Board at a later date. The proposed budget was,

Commissioners Salary	1974	2200.00	1973	Pd. Out	2000.00
Matching Social Security	"	125.00	"		117.00
State Retirement		105.00			92.52
Commissioners Travel		500.00			302.64
Bonds & Ins. Premium		25.00			15.95
Annual Report 1974		250.00			343.47
Miscellaneous Ex.		75.00			.0
Total 1974 Budget		3290.00			2871.58

Owen Jensen made a motion that we adopt the budget for 1974, seconded by Melvin Schanneveltd and approved by all present.

Dewain Berger made a motion that Bud Robison be appointed river commissioner for 1974, seconded by Serge Bodrero, all present voted in favor and was accepted by the state engineer.

Secretary to send a copy of minutes to State. Engineer.

Don Hansen stated that Irr. Companys have been very cooperative to put water in canals in case of emergency.
